Upon request we also offer our products in bulk!
 The minimum order quantities (MOQ) stated in this price list refer to the delivery of the respective articles in pure national language (see country code in article number).
 Orders below these minimum quantities will automatically be delivered in standard labelling (German).
 MOQ n.pos. (not possible) means that individual national language is not possible for these articles.
 Country-specific product approvals and labelling obligations must be checked and observed by the purchaser. Manufacturer accepts no liability.
